**PROXY STATEMENT
FOR
2024 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 2, 2024**

This proxy statement (the “Proxy Statement”) is being furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of AG Mortgage Investment Trust, Inc. (the “Company,” “we,” “us” or “our”) for use at our 2024 Annual Meeting of Stockholders (the “Annual Meeting”) to be held virtually on Thursday, May 2, 2024 at 9:00 a.m., Eastern Time. Any reference herein to attending the Annual Meeting, including any reference to “in-person” attendance, means attending by remote communication via live webcast on the Internet.

Like an in-person meeting, you can vote and submit questions during the Annual Meeting by visiting <https://web.lumiconnect.com/201017455>. You must have your 11-Digit Control Number in order to access the Annual Meeting. The Proxy Statement, proxy card, and our 2023 Annual Report to Stockholders (the “Annual Report”) will be distributed or made available on or about March 19, 2024 to stockholders of record as of the close of business on March 8, 2024 (the “Record Date”).

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

In this section of the Proxy Statement, we answer some common questions regarding our Annual Meeting and the voting of shares at the meeting.

Q: Where and when will the annual meeting be held?

A: The meeting will be held on Thursday, May 2, 2024 at 9:00 a.m., Eastern Time. You will be able to participate in the Annual Meeting, vote and submit your questions via live webcast by visiting <https://web.lumiconnect.com/201017455>. To satisfy the requirements for admission to the Annual Meeting, please use the passcode “ag2024”.

Q: Why is the Company holding a virtual meeting?

A: We value and encourage broad investor participation and believe that a virtual meeting does so by providing an opportunity for more stockholders to attend and participate in the meeting, while reducing the cost of planning and holding an in person meeting. Please see “How Do I Attend the Annual Meeting?” and “May Stockholders Ask Questions at the Annual Meeting?” below for additional information regarding how to attend and participate in the Annual Meeting.

Q: What is the quorum for the meeting?

A: A quorum will be present at the Annual Meeting if a majority of the votes entitled to be cast are present, whether in person or by proxy. No business may be conducted at the Annual Meeting if a quorum is not present. As of the Record Date, 29,452,618 shares of common stock were issued and outstanding, and each share of common stock is entitled to one vote. If less than a majority of the outstanding shares entitled to vote are represented at the Annual Meeting, we expect that the Annual Meeting will be adjourned in order to solicit additional proxies creating the necessary quorum. Notice need not be given of the new date, time or place if announced at the Annual Meeting before an adjournment is taken and the new date of the Annual Meeting is not more than 120 days from March 8, 2024, the Record Date. Shares that are voted “For,” “Against,” “Abstain,” or, with respect to the election of directors, “Withhold,” will be treated as being present at the Annual Meeting for purposes of establishing a quorum. Accordingly, if you are a stockholder of record as of the close of business on the Record Date and have returned a valid proxy or attend the Annual Meeting, your shares will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters at the Annual Meeting. Broker non-votes will also be counted as present for purposes of determining the presence of a quorum.

Q: What am I voting on?

- A:
- (1) The election of eight directors each serving until the 2025 annual meeting of stockholders and until his or her successor is duly elected and qualified;
 - (2) Ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the year ending December 31, 2024;
 - (3) Approval, on an advisory basis, of our executive compensation, as described in this Proxy Statement; and
 - (4) Recommendation, on an advisory basis, of the frequency of future advisory votes to approve our executive compensation.

Q: How does the Board recommend that I vote on these proposals?

- A:
- (1) “FOR” the election of each of the nominees as directors;
 - (2) “FOR” the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2024;
 - (3) “FOR” the approval, on an advisory basis, of our resolution on executive compensation, as described in the Proxy Statement; and
 - (4) “EVERY YEAR” with regard to the frequency of future advisory votes to approve our executive compensation.

Q: Who is entitled to vote?

A: Only stockholders of record of our common stock as of the close of business on the Record Date or their duly authorized proxies are entitled to vote at the Annual Meeting.

Q: *How do I vote?*

A: Whether or not you plan to attend the Annual Meeting, we urge you to authorize your proxy to vote your shares over the Internet as described in your notice regarding the Internet availability of proxy materials (“Notice”). Alternatively, if you received a paper copy of the proxy card by mail, please complete, date, sign and promptly return the proxy card in the self-addressed stamped envelope provided. Authorizing your proxy over the Internet, by mailing a proxy card or by telephone will not limit your right to attend the Annual Meeting and vote your shares in person.

Q: *How do I vote my shares that are held by my broker?*

A: If you have shares held by a broker, you may instruct your broker to vote your shares by following the instructions that the broker provides to you. Most brokers allow you to authorize your proxy by mail, telephone and on the Internet.

Q: *How do I vote my shares at the Annual Meeting?*

A: First, you must satisfy the requirements for admission to the Annual Meeting by visiting <https://web.lumiconnect.com/201017455> and entering the passcode “ag2024”. Then, if you are a stockholder of record at the close of business on March 8, 2024, you may cast your vote electronically at the Annual Meeting.

You may vote shares held in “street name” at the Annual Meeting only if you obtain a signed proxy from the record holder (broker, bank or other nominee) giving you the right to vote the shares.

Even if you plan to attend the Annual Meeting, we encourage you to authorize a proxy to vote your shares in advance by Internet, telephone or mail so that your vote will be counted in the event you later decide not to attend the Annual Meeting.

If your shares are held in a stock brokerage account or by a bank or other holder of record, after obtaining a valid legal proxy from your broker, bank or other agent, to then register to attend the Annual Meeting, you must submit proof of your legal proxy reflecting the number of your shares along with your name and email address to Equiniti Trust Company, LLC. Requests for registration should be directed to proxy@Equiniti.com or to facsimile number 718-765-8730. Written requests can be mailed to:

Equiniti Trust Company, LLC
Attn: Proxy Tabulation Department
55 Challenger Road, Floor 2
Ridgefield Park, NJ 07660

Requests for registration must be labeled as “Legal Proxy” and be received no later than 5:00 p.m., Eastern Time, on Friday, April 26, 2024.

You will receive a confirmation of your registration by email after we receive your registration materials. Once you receive a confirmation email, including your 11-Digit Control Number, you will be able to participate in the Annual Meeting, vote and submit your questions via live webcast by visiting <https://web.lumiconnect.com/201017455> during the meeting. The password for the meeting is “ag2024”. Follow the instructions provided to vote. We encourage you to access the meeting prior to the start time leaving ample time for the check in.

Q: *How many votes do I have?*

A: You are entitled to one vote for each share of common stock you hold as of the close of business on the Record Date. Our stockholders do not have the right to cumulate their votes for directors.

Q: What are the voting requirements that apply to the proposals discussed in this Proxy Statement?

A: With respect to the election of directors, you may vote “For” all nominees, “Withhold” your vote as to all nominees, or you may vote “For All Except” one or more nominees. A properly executed proxy marked “Withhold” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. Members of the Board are elected by a plurality of votes cast, in person or by proxy, at the Annual Meeting, provided that a quorum is present. This means the eight nominees who receive the greatest number of “For” votes cast will be elected. Neither broker non-votes nor votes marked “Withhold” will have an effect with respect to the election of any nominee.

You may vote “For,” “Against” or “Abstain” on Proposals 2 and 3. To be approved, each of Proposals 2 and 3 must receive the affirmative vote of a majority of the votes cast, in person or by proxy, at the Annual Meeting on the proposal, provided that a quorum is present.

With respect to the advisory vote on the frequency of future votes to approve our executive compensation, you may vote “Every Year,” “Every Two Years,” or “Every Three Years.” The option of every year, every two years or every three years that receives a majority of all of the votes cast at the Annual Meeting will be the frequency for the advisory vote on executive compensation that has been recommended by stockholders. In the event that no option receives a majority of the votes cast, the Board will consider the option that receives the highest number of votes as the preferred choice of the stockholders.

Abstentions and broker non-votes, if any, will not be counted as votes cast on Proposals 2, 3 and 4 and will have no effect on the result of the vote.

Proposal	Vote Required	Discretionary Voting Allowed?
(1) Election of directors	Plurality*	No
(2) Ratification of the appointment of Deloitte & Touche LLP	Majority**	Yes
(3) Approval, on an advisory basis, of our executive compensation	Majority**	No
(4) Approval, on an advisory basis, of the frequency of future advisory votes on our executive compensation	Majority**	No

* “Plurality” means with regard to the election of directors, that the eight nominees for director receiving the greatest number of “for” votes cast at the Annual Meeting, in person or by proxy, will be elected.

** “Majority” means a majority of the votes cast at the Annual Meeting on the particular matter.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: If your shares are registered in your name with our transfer agent, Equiniti Trust Company, LLC, you are the “stockholder of record” of those shares.

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of those shares. The Notice and Proxy Statement and any accompanying document have been forwarded to you by your broker, bank or other holder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote your shares by using the voting instruction card or by following their instructions for voting by telephone or on the Internet.

Q: How do I attend the Annual Meeting?

A: You can attend the Annual Meeting, vote and submit your questions during the Annual Meeting by visiting <https://web.lumiconnect.com/201017455>. You must use the passcode “ag2024” in order to access the Annual Meeting. Online access to the webcast will open 60 minutes prior to the start of the Annual Meeting to allow time for you to log-in and test your device. We encourage you to access the webcast in advance of the designated start time.

Q: May stockholders ask questions at the Annual Meeting?

A: Yes. There will be time allotted at the end of the meeting when our representatives will answer questions from stockholders participating on the webcast.

Q: Why did I not receive my proxy materials in the mail?

A: As permitted by rules of the United States Securities and Exchange Commission (the “SEC”), we are making this Proxy Statement and the Annual Report, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2023, available to our stockholders electronically via the Internet. The “e-proxy” process expedites stockholders’ receipt of proxy materials and lowers the costs and reduces the environmental impact of our Annual Meeting.

On or about March 19, 2024, we mailed to stockholders of record, as of the close of business on the Record Date, the Notice containing instructions on how to access this Proxy Statement, our Annual Report and other soliciting materials via the Internet. If you received the Notice by mail, you will not receive a printed copy of the proxy materials in the mail unless you had previously indicated that you wanted to receive a printed copy. The Notice instructs you on how to access the Proxy Statement and Annual Report and how you may submit your proxy.

Q: Can I vote my shares by filling out and returning the Notice?

A: No. The Notice identifies the items to be voted on at the Annual Meeting, but you cannot vote by marking the Notice and returning it. The Notice provides instructions on how to authorize your proxy via the Internet or by telephone or vote in person at the Annual Meeting or to request a paper proxy card, which will contain instructions for authorizing a proxy by the Internet, by telephone or by returning a signed paper proxy card.

Q: Will there be any other items of business on the agenda?

A: We do not know of any other matter that may be brought before the Annual Meeting nor do we foresee or have reason to believe that proxy holders will have to vote for substitute or alternate nominees for election to the Board. In the event that any other matter should come before the Annual Meeting or any nominee is not available for election, the persons named in the enclosed proxy will have discretionary authority to exercise all proxies with respect to such matters in accordance with their discretion.

Q: Who has paid for this proxy solicitation?

A: We pay for the cost of preparing, printing and mailing the Notice and, to the extent requested by our stockholders, the proxy materials and any additional materials furnished to stockholders. Proxies may be solicited by our directors or our executive officers or by executive officers of our external manager, AG REIT Management, LLC (our “Manager”), personally, by e-mail or by telephone without additional compensation for such activities. We have also retained D.F. King & Co., Inc. to perform proxy solicitation services at a fee estimated at \$8,000, plus out of pocket expenses. We will also request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send appropriate solicitation materials to such beneficial owners, and we will pay such holders their standard and ordinary fees. We will also reimburse such holders for their reasonable out-of-pocket expenses.

Q: What does it mean if I receive more than one Notice?

A: If you receive more than one Notice, your shares are registered in more than one name or are registered in more than one account. Sign and return all proxy cards to ensure that all your shares are voted.

Q: *What if I return a signed proxy or voting instruction card, but do not specify how my shares are to be voted?*

A: If you are a stockholder of record and you submit a proxy, but you do not provide voting instructions, all of your shares will be voted FOR Proposals 1, 2, and 3 and EVERY YEAR for Proposal 4.

If you are a beneficial owner and you do not provide the broker or other nominee that holds your shares with voting instructions, the broker or other nominee will determine if it has the discretionary authority to vote on the particular matter. Under the rules of the New York Stock Exchange (“NYSE”), brokers and other nominees have the discretion to vote on routine matters, such as Proposal 2, but do not have discretion to vote on non-routine matters, such as Proposals 1, 3 and 4. Therefore, if you do not provide voting instructions to your broker or other nominee, your broker or other nominee may only vote your shares on Proposal 2 and any other routine matters properly presented for a vote at the Annual Meeting.

Q: *How are abstentions and “broker non-votes” treated?*

A: Abstentions and broker non-votes are each included in the determination of the number of shares present at the Annual Meeting for the purpose of determining whether a quorum is present.

An abstention is the voluntary act of directing your proxy to abstain or attending the meeting in person and marking a ballot to abstain.

Under NYSE rules, brokers or other nominees who hold shares for a beneficial owner have the discretion to vote on a limited number of “routine” proposals when they have not received voting instructions from the beneficial owner at least ten days prior to the Annual Meeting. Your shares may be voted on Proposal 2 if they are held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions, since the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm is considered a “routine” proposal. All other items on this year’s ballot are considered “non-routine” proposals under NYSE rules for which brokers may not vote absent voting instructions from the beneficial owner. A “broker non-vote” occurs when a broker or other nominee does not vote on a particular proposal because such broker or nominee does not receive such voting instructions and does not have the discretion to vote the shares.

Pursuant to Maryland law, abstentions and broker non-votes are counted as present for purposes of determining the presence of a quorum. However, abstentions and broker non-votes, as applicable, will have no impact on the outcome of any of the four proposals, as they are not counted as votes cast.

Q: *Can I change my vote after I have voted?*

A: Yes. You can change your vote either by:

- executing or authorizing, dating and delivering to us a new proxy with a later date that is received no later than May 1, 2024;
- voting again via the Internet or by telephone at a later time before the closing of those voting facilities at 11:59 p.m., Eastern Time, on May 1, 2024;
- sending a written statement revoking your proxy card to our General Counsel provided such statement is received no later than May 1, 2024; or
- by attending the Annual Meeting, revoking your proxy and voting electronically at the Annual Meeting.

Your virtual attendance at the Annual Meeting will not, by itself, revoke a proxy previously authorized by you. We will honor the proxy card or authorization with the latest date.

Proxy revocation notices should be sent to AG Mortgage Investment Trust, Inc., 245 Park Avenue, 26th Floor, New York, New York 10167, Attention: General Counsel. New paper proxy cards should be sent to Proxy Tabulation Department, c/o Equiniti Trust Company, LLC, 55 Challenger Road, Floor 2, Ridgefield Park, NJ 07660.

Q: Can I find additional information on the Company's website?

A: Yes. Our website is located at www.agmit.com. Although the information contained on our website is not part of this Proxy Statement, you can view additional information on our website, such as our corporate governance guidelines, our code of business conduct and ethics, charters of our board committees and reports that we file with the SEC. The information contained on our website is not part of, or incorporated by reference in, this proxy statement.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Board currently consists of eight members, including six directors that meet the independence standards of the NYSE. Our Nominating and Corporate Governance Committee analyzes the composition of our Board each year. In connection with this review, the Board, upon the recommendation of the Nominating and Corporate Governance Committee, nominated the following eight individuals to serve until the 2025 annual meeting of stockholders and until their successors are duly elected and qualified: Debra Hess, T.J. Durkin, Dianne Hurley, Matthew Jozoff, Peter Linneman, M. Christian Mitchell, Lisa G. Quateman and Nicholas Smith (each a “Nominee,” and, collectively, the “Nominees”).

All of the Nominees currently serve on the Board and were elected by the stockholders at the 2023 annual meeting of stockholders, except for Mr. Mitchell and Ms. Quateman. In August 2023, the Company announced it would acquire Western Asset Mortgage Capital Corporation (“WMC”), a publicly traded REIT that pursued a residential mortgage strategy, and entered into a merger agreement (the “Merger Agreement”) with WMC. Pursuant to the Merger Agreement and concurrently with the closing of the WMC acquisition, our Board increased the size of the Board from six to eight members and appointed Mr. Mitchell and Ms. Quateman as new independent directors to fill the vacancies created by the increase, effective December 6, 2023. The Company further agreed to nominate each of Mr. Mitchell and Ms. Quateman to the Board at the Annual Meeting.

The Board anticipates that, if elected, each Nominee will serve as a director. However, if any Nominee is unable to accept election, the proxies will be voted for the election of such other person or persons as the Board may recommend, unless the Board determines to reduce the number of directors or to leave a vacant seat on our Board in accordance with the Company’s charter and bylaws.

RECOMMENDATION OF THE BOARD:

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE ELECTION OF EACH OF THE NOMINEES TO THE BOARD OF DIRECTORS.

The voting requirements for this proposal are described above in the “General Information About the Annual Meeting and Voting” section of this Proxy Statement.

We believe that all of the Nominees are intelligent, collegial, insightful, proactive with respect to management and risk oversight, diligent and exercise good judgment. The biographical descriptions below set forth certain information with respect to each Nominee for election as a director at the Annual Meeting, including the age of each Nominee as of the date of this Proxy Statement, and the experience, qualifications, attributes or skills of each Nominee that led us to conclude that such person should serve as a director.

CORPORATE GOVERNANCE

Board and Committees

Our Manager manages our day-to-day operations, subject to the supervision and oversight of our Board. Our Manager has delegated to TPG Angelo Gordon the overall responsibility of our Manager's day-to-day duties and obligations arising under our management agreement. Members of our Board are kept informed of our business through discussions with our and our Manager's executive officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees. A majority of the members of our Board are "independent," as determined in accordance with the requirements of the NYSE and the regulations of the SEC. Our independent directors meet in executive sessions without the presence of our executive officers or non-independent directors.

Our Board has formed an audit committee ("Audit Committee"), a compensation committee ("Compensation Committee") and a nominating and corporate governance committee ("Nominating and Corporate Governance Committee") and has adopted charters for each of these committees. Each of these committees is composed exclusively of independent directors, as defined by the listing standards of the NYSE and, as it relates to the Audit Committee, Rule 10A-3(b)(1) promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and, as it relates to the Compensation Committee, Rule 10C-1(b)(1)(ii) promulgated under the Exchange Act. Moreover, the Compensation Committee is composed exclusively of individuals intended to be, to the extent provided by Rule 16b-3 promulgated under the Exchange Act, non-employee directors.

Board Composition and Refreshment

Our Board recognizes the importance of having the right mix of skills, expertise and experience and regularly reviews its capabilities. Our Board is also committed to seeking highly qualified individuals from minority groups (including gender and ethnically/racially diverse groups) to include in the pool from which board nominees are selected. In the past five years, our Board has appointed three women to serve on our Board and, as a result, over 1/3 of our Board's members are female.

Our Board further recognizes the importance of refreshment. In 2022, two new directors with substantial mortgage origination and securitization experience - Matthew Jozoff, an independent director, and Nicholas Smith, our Chief Investment Officer - were elected to our Board. In addition, in connection with the closing of the WMC acquisition, the number of directors on our Board was increased from six to eight and the Board appointed two additional Board members - M. Christian Mitchell and Lisa G. Quateman, each an independent director - who bring legacy knowledge regarding WMC's assets as well as significant real estate, financial and directorship experience. As a result, our Board of Directors has an average tenure of 3.9 years.

Board Leadership

Our business is conducted day-to-day by our executive officers and our Manager, under the direction of our Chief Executive Officer and the oversight of our Board, to enhance long-term value for our stockholders. Our Board is elected by our stockholders on an annual basis to oversee our executive officers and our Manager.

The Board annually appoints a chair of the board, who may or may not be our Chief Executive Officer. We currently separate the Chair of the Board and Chief Executive Officer roles. As Non-Executive Chair of the Board, Debra Hess presides over all meetings of the Board (including executive sessions of the independent directors) and stockholders, consults with the Chief Executive Officer and the Board committee chairs in establishing the agenda for Board and Board committee meetings, and acts as a liaison between the outside directors and management (including the Chief Executive Officer), and among independent directors. In addition, Ms. Hess serves as the focal point of communication to the Board regarding management plans and initiatives, ensures that the role between Board oversight and management operations is respected, and performs such other duties as the Board requires from time to time.

At present, our Board believes that the separation of the Chair and Chief Executive Officer roles, while not required, fosters clear accountability and enhances the Board's oversight of and independence from management, as well as assists the Board's ability to carry out its roles and responsibilities on behalf of stockholders. The Board also believes that the current leadership structure fosters effective decision-making and alignment on corporate strategy. In addition, the Board believes that separation of the Chair of the Board and Chief Executive Officer roles strengthens risk management and allows our Chief Executive Officer to focus more of his time and energy on day-to-day management and operations of the business.

The Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide independent oversight of management. The Board believes that there is no single, generally accepted approach to providing board leadership, and the right board leadership structure may vary as circumstances warrant. Consistent with this belief, our independent directors consider the board's leadership structure on an annual basis.

Director Independence

Under the corporate governance standards of the NYSE, at least a majority of our directors, and all of the members of our Audit, Compensation and Nominating and Corporate Governance Committees, must be "independent," as such term is defined in the NYSE Listed Company Manual. The NYSE standards provide that to qualify as an "independent" director, in addition to satisfying certain bright-line criteria, the Board must affirmatively determine a director has no material relationship with us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us). Our Board has affirmatively determined each of the following director nominees satisfies the bright-line independence criteria of the NYSE and none of them has a relationship with us that would interfere with such person's ability to exercise independent judgment as a member of the Board: Debra Hess, Dianne Hurley, Matthew Jozoff, Peter Linneman, M. Christian Mitchell and Lisa G. Quateman. Therefore, we believe that all of these nominees, who constitute a majority of our Board nominees, are independent under the NYSE rules.

The Nominating and Corporate Governance Committee has adopted limits on the number of public company boards on which our independent directors may serve, to enable them to have sufficient time to devote to their duties to the Company. Unless approved by the Board, our independent directors may not serve on more than four public company boards, which number includes service on our Board. The Company does not limit the number of not-for-profit boards on which our independent directors may serve.

We have implemented procedures for interested parties, including stockholders, to communicate directly with our independent directors. We believe providing a method for interested parties to communicate directly with our independent directors, rather than the full Board, facilitates candid and open communications and provides an efficient method of relaying any interested party's concerns or comments. See "Communication with the Board and Independent Directors."

Nomination of Directors

Before each annual meeting of stockholders, the Nominating and Corporate Governance Committee considers the nomination of all directors and also considers new candidates whenever there is a vacancy on the Board or whenever a vacancy is anticipated. The Nominating and Corporate Governance Committee identifies director candidates based on recommendations from directors, stockholders, management and others. The committee may engage the services of third-party search firms to assist in identifying or evaluating director candidates.

Our Nominating and Corporate Governance Committee charter provides that the Nominating and Corporate Governance Committee will consider recommendations for board membership by stockholders. The Nominating and Corporate Governance Committee considers candidates proposed by stockholders and evaluates them using the same criteria as for other candidates.

The Nominating and Corporate Governance Committee evaluates annually the effectiveness of the Board as a whole and of each committee and conducts an annual assessment of each independent director. The Nominating and

Corporate Governance Committee also identifies any area in which the Board would be better served by adding new members with different skills, backgrounds or areas of experience. The Board considers director candidates, including those nominated by stockholders, based on a number of factors including: whether the board member will be “independent,” as such term is defined by the NYSE listing standards; whether the candidate possesses the highest personal and professional ethics, integrity and values; and whether the candidate contributes to the overall diversity of the Board. Candidates are also evaluated on their understanding of our business, experience, and willingness to devote adequate time to carrying out their duties, among other things. The Nominating and Corporate Governance Committee also monitors the mix of skills, experience and background of the members of the Board to assure the Board has the necessary composition to effectively perform its oversight function.

While we do not have a formal policy about diversity, our Board is committed to seeking highly qualified individuals from minority groups (including gender and ethnically/racially diverse groups) to include in the pool from which board nominees are selected. Each individual is evaluated in the context of the Board as a whole, with the objective of recommending a group of directors that reflects a mix of different viewpoints, professional experience, education, skills and other personal qualities and attributes that can best facilitate the success of the Company’s business and can represent shareholder interests through the exercise of sound judgment, using its diversity of experience.

Corporate Governance Guidelines

Our Board has also adopted corporate governance guidelines, which are available in the “Governance - Committee Composition” section of our website, www.agmit.com. These guidelines set forth the practices the Board follows with respect to, among other matters, the composition of the Board; director responsibilities; board committees; director access to executive officers, the Manager and independent advisors; director compensation; and regular evaluations of the performance of the Board.

Retirement Policy

The Board believes that 75 years of age is an appropriate retirement age for directors. Directors generally will not be nominated for reelection at any annual stockholders meeting following their 75th birthday. However, the Board may determine to waive this policy in individual cases.

Clawback Policy

The Compensation Committee adopted a clawback policy on recovery of incentive compensation (the “Clawback Policy”), effective December 1, 2023, in accordance with Rule 10D-1 of the Exchange Act (“Rule 10D-1”) and the NYSE and Nasdaq Stock Market’s listing standards. The Clawback Policy applies to current and former executive officers of the Company as defined in Rule 10D-1 and will be administered by the Compensation Committee. In the event the Company is required to prepare an accounting restatement to correct material noncompliance with any financial reporting requirement under U.S. federal securities laws, including restatements that correct an error in previously issued financial statements that is material to the previously issued financial statements or that would result in a material misstatement if the error were corrected in the current period or left uncorrected in the current period, it is the Company’s policy to recover erroneously awarded incentive-based compensation received by its former and current executive officers on or after October 2, 2023. The recovery of such compensation applies regardless of whether an executive officer engaged in misconduct or otherwise caused or contributed to the requirement for a restatement.

Code of Business Conduct and Ethics

Our Board has established a code of business conduct and ethics that applies to our executive officers and directors as well as the employees, executive officers and directors of our affiliates who provide us services (the “Code of Ethics”). Among other matters, our Code of Ethics is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- accurate, complete, objective, relevant, timely and understandable disclosure in our SEC reports and other public communications;
- compliance with applicable governmental laws, rules and regulations;
- the protection of Company assets, including corporate opportunities and confidential information;
- prompt internal reporting of violations of the Code of Ethics to appropriate persons identified in the Code of Ethics; and
- accountability for adherence to the Code of Ethics.

Any waiver of the Code of Ethics may be made only by our Board or one of our board committees. The Code of Ethics is posted in the “Governance — Committee Composition” section of our website, www.agmit.com. We intend to satisfy the disclosure requirement regarding any amendment to, or a waiver of, a provision of the Code of Ethics by posting such information on our website.

Stockholder Outreach

We are committed to effective corporate governance and value the views of our stockholders. Throughout the year, our senior management team maintains a regular dialogue with investors to gain their perspectives on current governance and related issues, with a view toward addressing any questions or concerns. The feedback and insight obtained from this outreach, in addition to emerging best practices, policies at other companies and other market standards, are considered and evaluated by the Board and our senior management team.

Board’s Role in Risk Oversight

The Board is responsible for overseeing our risk management policies and practices. Our executive officers, including our Chief Risk Officer, who are responsible for our day-to-day risk management practices, regularly present to the Board on our overall risk profile and the processes by which such risks are mitigated. Our Manager also regularly reports to the Board on various matters related to our risk exposure. Through regular and consistent communication, our Manager provides reasonable assurances to our Board that all of our material operational and investment risks, including among others, liquidity risk, interest rate risk and capital market risk, are understood and addressed.

Cybersecurity

Cybersecurity is a growing risk for companies. The Company’s business is highly dependent on the communications and information systems of our Manager, its affiliates and third-party service providers. Our Manager is an affiliate of TPG Inc. (“TPG”), a leading global alternative asset management firm. We, in conjunction with our Manager and its affiliates, have adopted processes designed to identify, assess and manage material risks from cybersecurity threats. Our Board holds oversight responsibility over the Company’s strategy and risk management, including material risks related to cybersecurity threats. This oversight is executed directly by the Board and through its committees. The Board regularly engages in discussions with management regarding the Company’s risk assessment and risk management policies. In addition, our Audit Committee oversees the management of systemic risks, including cybersecurity, in accordance with its charter.

Our Board, including the Audit Committee, is briefed on our Manager’s information security program and cybersecurity risks at least once each year and as needed in connection with any potentially material cybersecurity incidents. TPG’s Chief Information Security Officer reports at least annually to our Board, including the Audit Committee, and such report may address overall assessment of the Company’s compliance with this and other cybersecurity policies, including topics such as risk assessment, risk management and control decisions, service

provider arrangements, test results, security incidents and responses, and recommendations for changes and updates to policies and procedures.

Board Meetings and Annual Meeting of Stockholders

The Board held 15 meetings (including regularly scheduled and special meetings) in 2023, and each director who was a director in 2023 attended at least 75% of the aggregate of (i) the total number of meetings of the Board (held during the period for which such person has been a director) and (ii) the total number of meetings held by all committees of the Board on which such person served (during the periods that such person served).

We have a policy that directors attend each annual meeting of stockholders. All of our directors serving in May 2023 attended the 2023 annual meeting of stockholders. The independent directors have the opportunity to meet in executive session at least once per quarter during a regularly scheduled board meeting without management. During 2023, Debra Hess, who served as our Non-Executive Chair of the Board, presided at the executive sessions of the independent directors.

It also periodically prepares and submits to our Board for adoption the committee's selection criteria for director nominees. It reviews and makes recommendations on matters involving the general operation of our Board and our corporate governance and annually recommends to our Board the nominees for each committee of the Board. In addition, the committee annually conducts an evaluation of the performance of our Board, both individually and collectively.

Other Committees

Our Board may from time to time establish other committees to facilitate the management of the Company.

Stock Ownership Guidelines

Our minimum share ownership guidelines for directors require that each director acquire and maintain a minimum number of shares equal to four times the basic annual cash retainer payable to non-employee directors within four years of becoming subject to the guidelines. From time to time, the Nominating and Corporate Governance Committee of the Board will review each director's compliance with the guidelines and may grant exceptions to the guidelines as it deems appropriate. All of our directors are either currently in compliance with the minimum share ownership guidelines or are still within the four-year grace period for compliance.

Our minimum share ownership guidelines for executive officers require that our Chief Executive Officer, President, Chief Investment Officer and Chief Financial Officer acquire and maintain a minimum equity investment in the company of 5,000 shares of our common stock. Any executive officer elected to an office subject to the minimum share ownership guidelines after the minimum share ownership guidelines became effective must be compliant within three years of the date of his or her election. Until the minimum equity investment is met, an executive officer subject to the guidelines must retain all of our common stock granted to him or her as compensation. From time to time, the Nominating and Corporate Governance Committee of the Board will review each executive officer's compliance with the guidelines and may grant exceptions to the guidelines as it deems appropriate and market-competitive on a case-by-case basis. All of our executive officers subject to the minimum share ownership guidelines are currently in compliance therewith.

Our Policy Prohibiting Pledging and Hedging of AG Mortgage Investment Trust, Inc. CORPORATE SOCIAL RESPONSIBILITY

We are a residential mortgage REIT externally managed by our Manager, an affiliate of TPG Angelo Gordon. As an externally managed company, our day-to-day operations are managed by our Manager and our executive officers under the oversight of our Board. Our executive officers are TPG Angelo Gordon professionals who are employed by affiliates of our Manager. Accordingly, many of the corporate responsibility initiatives undertaken by TPG Angelo Gordon impact our business and the commercial decisions made on our behalf by employees of affiliates of our Manager.

The following is a description of the corporate social responsibility framework at TPG Angelo Gordon. On November 1, 2023, TPG completed the previously announced TPG Transaction, pursuant to which TPG Angelo Gordon, including our Manager, became indirect subsidiaries of TPG. TPG is a leading global alternative asset management firm, founded in San Francisco in 1992, with \$222 billion of assets under management (as of December 31, 2023) and investment and operational teams around the world. TPG invests across a broadly diversified set of strategies, including private equity, impact, credit, real estate and market solutions. As a result of the acquisition, TPG Angelo Gordon operates its business as a new platform within TPG. For additional information regarding TPG and its environmental, social and governance performance, including diversity, equity and inclusion initiatives, see TPG's public filings with the SEC.

Diversity & Inclusion

TPG Angelo Gordon's diversity and inclusion policies are organized around three pillars: (1) education, (2) attraction, and (3) retention / development.

Educate: TPG Angelo Gordon regularly conducts diversity and inclusion trainings with leadership and across the firm, promoting a diverse and inclusive culture where all voices are welcomed and heard.

Attract: TPG Angelo Gordon supports diverse recruitment, opportunity, and retention through its active partnerships with diverse recruitment organizations and diversity and inclusion-focused initiatives, such as:

- Girls Who Invest;
- Seizing Every Opportunity (SEO);
- FastTrack;
- iMentor;
- Posse Foundation; and
- Toigo Foundation.

Hiring managers at TPG Angelo Gordon are expected to expand diversity in prospective candidate pools and are required to attend additional diversity and inclusion training and workshops.

Retain and Develop: The TPG AG Diversity Council and TPG AG Women's Network drive networking, awareness and engagement initiatives.

Further, our Board is committed to seeking highly qualified individuals from minority groups (including gender and ethnically / racially diverse groups) to include in the pool from which board nominees are selected. Over 1/3 of the members of our Board of Directors are female.

Operational Impact / Governance

We are committed to good corporate governance practices that strengthen alignment of interests with our stockholders. We have adopted and adhere to a Code of Business Conduct and Ethics covering, among other things, compliance with laws, rules and regulations, avoidance and management of conflicts of interest, strict prohibitions against insider trading (which are also subject to a separate policy), usurping corporate opportunities, and discrimination and harassment, in addition to general provisions ensuring that employees act honestly and ethically. As an extension of these policies, we maintain a whistleblower / ethics hotline with anonymous reporting options. This code is applicable to our directors and to all of TPG Angelo Gordon's employees who provide services to us, including our officers.

Further examples of our strong governance framework include:

- 3/4 of our Board members are independent and our Board has an independent, Non-Executive Chair;
- Over 1/3 of our Board members are female;
- We are committed to Board refreshment (3.9 years average director tenure);
- Shares received as director compensation are subject to a lock-up for the duration of such director's tenure;
- Established common stock ownership minimums, with a policy prohibiting pledging or hedging;
- We do not have a classified board and we hold annual elections of directors;
- Adopted Corporate Governance Guidelines & Code of Business Conduct and Ethics;
- Our Board and each committee conduct annual self-assessments;
- Our Board committees are comprised solely of independent directors; and
- Regular meetings of independent directors without management and with independent auditors.

In addition, TPG Angelo Gordon embraces opportunities to reduce our environmental impact. TPG Angelo Gordon has invested in best-in-class compliance, risk and internal control processes and platforms, delivered by teams with deep industry and firm experience. TPG Angelo Gordon has robust cyber-security monitoring and action plans, safeguarding investor and firm information and data. TPG Angelo Gordon is also a signatory of the Standard Board for Alternative Investments (SBAI).

Further, our principal office is headquartered in a LEED Gold Certified Building with close access to a major public transportation hub, enabling TPG Angelo Gordon's employees to commute efficiently.

Responsible Investing

TPG Angelo Gordon, which became a signatory to the United Nations' Principles for Responsible Investment in 2021, seeks to incorporate material environmental, social and governance factors into its investment decision making to maximize risk-adjusted returns. For its residential debt business this entails seeking to identify potentially material ESG risks in the underlying collateral, as well as in the performance of the debt originators and servicers. For example, our investment and data science teams conduct ongoing monitoring of the geographic exposure of our assets against FEMA's National Risk Index for Natural Hazards (NRI). The NRI estimates the risks for 18 natural hazards alongside social and community data at the census tract level. Our teams also use a portfolio heatmap to proactively identify and track the performance of collateral that are subject to National Oceanic and Atmospheric Association (NOAA) designated extreme weather incidents. TPG Angelo Gordon's RMBS asset management team maintains constructive relationships with its mortgage servicers and receives regular updates on customer issues and regulatory compliance. Additionally, the firm's third-party risk management (TPRM) program and processes involve reviewing and periodically assessing risks related to key vendors utilized in RMBS strategy investments, including third party originators, loan servicers and financial counterparties. The team executes on a robust due

diligence process that meets or exceeds regulatory standards, including an anti-money laundering (AML) policy and process, with established Know-Your-Customer (KYC) procedures.

Community Engagement

TPG Angelo Gordon has a long history of supporting its employees' dedication of time, resources and passion in having a positive impact on the communities in which they live and work. TPG Angelo Gordon's philanthropic platform, TPG AG Gives, focuses on:

- **Volunteering** opportunities for employees through partnerships such as:
 - NYC Cares
 - Habitat for Humanity
 - SuitUp
 - iMentor
- **Charitable giving** to support community organizations and initiatives and other non-profits through financial, in-kind and other donations, including clothing and food drives.
 - TPG Angelo Gordon supports employee charitable contributions with a targeted matching program
- **Educating** TPG Angelo Gordon employees about issues facing different communities, how various organizations are responding, and how employees can get involved or provide support.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Under the Audit Committee's charter, the Audit Committee is responsible for the appointment, retention, termination, evaluation, compensation and oversight of the Company's independent auditor. In fulfilling this responsibility, the Audit Committee evaluates and monitors the auditor's qualifications, performance and independence and reviews and evaluates the lead audit partner. The Audit Committee also approves all audit and non-audit engagement fees and terms associated with the retention of the independent auditors.

PwC acted as the Company's independent registered public accounting firm for each of the fiscal years ended December 31, 2011 through 2023. On March 15, 2024, the Audit Committee dismissed PwC as the Company's independent registered public accounting firm and approved the appointment of Deloitte & Touche as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2024. The Board has further directed that management submit the selection of the Company's independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. As described below and as reported in the Company's Current Report on Form 8-K filed with the SEC on March 19, 2024, the change in independent registered public accounting firm is not the result of any disagreement with PwC. On November 1, 2023, TPG completed the previously announced acquisition of TPG Angelo Gordon, pursuant to which TPG Angelo Gordon, including our Manager, became indirect subsidiaries of TPG. Deloitte is the independent registered public accounting firm of TPG.

PwC's reports on the Company's consolidated financial statements as of and for each of the two most recent fiscal years (fiscal years ended December 31, 2023 and 2022) did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the Company's two most recent fiscal years (fiscal years ended December 31, 2023 and 2022) and the subsequent interim period through March 15, 2024, there were no (i) disagreements (within the meaning of Item 304(a)(1)(iv) of Regulation S-K and the related instructions thereto) with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of PwC, would have caused PwC to make reference thereto in its reports covering the Company's consolidated financial statements for such periods and (ii) reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K).

During the Company's two most recent fiscal years (fiscal years ended December 31, 2023 and 2022) and the subsequent interim period through March 15, 2024, neither the Company nor anyone on its behalf consulted Deloitte regarding (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company that Deloitte concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue, (ii) any matter that was the subject of a disagreement within the meaning of Item 304(a)(1)(iv) of Regulation S-K, or (iii) any reportable event within the meaning of Item 304(a)(1)(v) of Regulation S-K.

We expect that a representative of Deloitte & Touche LLP will be present at the Annual Meeting to respond to appropriate questions and will have the opportunity to make a statement if such representative desires to do so.

RECOMMENDATION OF THE BOARD:

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2024.

The voting requirements for this proposal are described above in the "General Information About The Annual Meeting And Voting" section of this Proxy Statement.

In addition, all audit and permissible non-audit services in excess of the pre-approved fee level, whether or not included on the pre-approved list of services, must be separately pre-approved by the Audit Committee.

AUDIT COMMITTEE REPORT

The audit committee (the “Audit Committee”) of the board of directors (the “Board”) of AG Mortgage Investment Trust, Inc. (the “Company”) has furnished the following report to stockholders of the Company in accordance with rules adopted by the Securities and Exchange Commission (the “SEC”). The Audit Committee is composed of three directors, each of whom is independent and “financially literate” under the rules of the NYSE. The Board has determined that each of Ms. Hess and Ms. Hurley is an “audit committee financial expert” as defined by the rules of the SEC. The Audit Committee has the duties and powers described in its written charter adopted by the Board on February 26, 2020. A copy of the charter is available on the Company's website at www.agmit.com.

The Company's management has primary responsibility for establishing and maintaining effective internal controls over financial reporting, preparing the Company's consolidated financial statements in accordance with U.S. generally accepted accounting principles, and managing the public reporting process. PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm (“PwC”), is responsible for forming and expressing opinions on the conformity of the Company's audited consolidated financial statements in accordance with U.S. generally accepted accounting principles, in all material respects, and on the effectiveness of the Company's internal controls over financial reporting.

The Audit Committee reviewed and discussed with management the Company's audited consolidated financial statements for the year ended December 31, 2023, including a discussion of the acceptability and appropriateness of significant accounting policies and management's assessment of the effectiveness of the Company's internal controls over financial reporting. The Audit Committee discussed with the Company's independent registered public accounting firm matters related to the conduct of the audits of the Company's consolidated financial statements and internal controls over financial reporting. The Audit Committee also reviewed with management and the independent registered public accounting firm the reasonableness of significant estimates and judgments made in preparing the consolidated financial statements, as well as the clarity of the disclosures in the consolidated financial statements and related notes. The Audit Committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of the Company's financial statements.

The Audit Committee has discussed with the Company's independent registered public accounting firm the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (“PCAOB”).

The Audit Committee has also received and reviewed the written communications from PwC as required by the applicable requirements of the PCAOB regarding PwC's communications with the Audit Committee concerning independence and has discussed with PwC its independence.

Based on the reviews and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to in this report and in the Company's Audit Committee charter, the Audit Committee recommended to the Board (and the Board approved) the audited consolidated financial statements and related notes be included in the Annual Report on Form 10-K for the year ended December 31, 2023 for filing with the SEC.

PROPOSAL 3: APPROVAL ON AN ADVISORY BASIS OF OUR EXECUTIVE COMPENSATION

Taking into consideration the recommendation of the stockholders in 2018, our current policy is to provide stockholders with an opportunity to approve the compensation of our named executive officers each year at the annual meeting of stockholders until the next required stockholder vote on the frequency of such votes. See Proposal 4, relating to the advisory vote on the frequency of future advisory votes to approve the compensation of our named executive officers.

Our Board is committed to corporate governance best practices and recognizes the significant interest of stockholders in executive compensation matters. We are providing this advisory vote as required pursuant to the rules of the SEC. We are asking our stockholders to indicate their support for our named executive officer compensation as disclosed in this Proxy Statement. This vote is not intended to address any specific item of compensation, but rather the overall policies and practices that apply to the compensation of our named executive officers. We will ask our stockholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in the Company’s Proxy Statement for the 2024 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the compensation tables and the other related disclosure.”

While this vote is advisory and not binding on us or the Compensation Committee, it will provide information to us and the Compensation Committee regarding stockholder sentiment about our executive compensation policies and practices. Our Board and our Compensation Committee value the opinions of our stockholders. In the event there is a significant vote against the named executive officer compensation as disclosed in this Proxy Statement, we will consider our stockholders’ concerns, and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

As described in detail under the heading “Executive Compensation” below, we are externally managed by our Manager, pursuant to the management agreement between our Manager and us. Our Manager has delegated to TPG Angelo Gordon the overall responsibility of our Manager’s day-to-day duties and obligations arising under our management agreement. In 2023, we did not have any employees whom we compensated directly with salary, other cash compensation or stock-based compensation. A portion of our named executive officers’ compensation was paid out of funds from management fees we pay to our Manager and the expense reimbursement we pay to our Manager. We have not paid, and do not intend to pay, any cash compensation to our named executive officers. We do not provide our named executive officers with pension benefits, termination payments or other incidental payments.

RECOMMENDATION OF THE BOARD:

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL, ON AN ADVISORY BASIS, OF OUR EXECUTIVE COMPENSATION.

The voting requirements for this proposal are described in the “General Information About the Annual Meeting and Voting” section of this Proxy Statement.

EXECUTIVE COMPENSATION

Named Executive Officers

Our named executive officers for 2023 were:

Name	Title
T.J. Durkin	Chief Executive Officer and President
Anthony Rossiello	Chief Financial Officer and Treasurer
Nicholas Smith	Chief Investment Officer
Andrew Parks	Chief Risk Officer
Jenny B. Neslin	General Counsel and Secretary

Compensation Discussion and Analysis

Our Compensation Discussion and Analysis describes our compensation program, objectives and policies for the executive officers named in this Proxy Statement and our executive officers generally.

Overview of Compensation Program

We have no employees. We are externally managed by our Manager, pursuant to a management agreement between our Manager and us. Because the management agreement provides that our Manager is responsible for managing our affairs, our executive officers, all of whom are employees of our Manager or an affiliate of our Manager, do not receive cash compensation from us. Instead, our executive officers are compensated by our Manager or an affiliate of our Manager, in part, with the management fee we pay to our Manager and with the expense reimbursement we provide to our Manager related to compensation. The management agreement provides for our reimbursement to the Manager of the allocable share of annual base salary, bonus, and any related withholding taxes and employee benefits paid to our chief financial officer, general counsel and other non-investment personnel based on the percentage of time those individuals spent on our affairs or another agreed upon methodology fair to the Company. We do not determine the compensation payable to personnel, including our executive officers, by our Manager or its affiliates. Our Manager or its affiliates, in their discretion, determine the levels of base salary, cash incentive compensation and other benefits earned by our executive officers.

Cash and Other Compensation

Our named executive officers and other personnel who conduct our business are employees of our Manager or its affiliates. Accordingly, we do not pay or accrue any salary or bonus for our executive officers.

Equity-Based Compensation

Our Compensation Committee may, from time to time, grant equity awards in the form of restricted stock, stock options, restricted stock units or other types of awards to our Manager or to our named executive officers pursuant to our equity incentive plans. These awards are designed to align the interests of our named executive officers with those of our stockholders by allowing our named executive officers to share in the creation of value for our stockholders through stock appreciation and dividends. These equity awards are generally subject to vesting requirements over a number of years and are designed to promote the retention of management and to achieve strong performance for our Company. These awards further provide flexibility to us in enabling our Manager to attract, motivate and retain talented individuals.

Notwithstanding the foregoing, following the execution of an amendment (the “Third Amendment”) to our management agreement in November 2021 related to the incentive fee, the Compensation Committee no longer expects to continue its historical practice of making periodic equity grants to the Manager pursuant to the Company's

2021 manager equity incentive plan.

We believe our equity-based compensation policies are particularly appropriate since we are an externally managed REIT. Pursuant to REIT qualification requirements, we must generally pay at least 90% of our “REIT taxable income” (computed without regard to the dividends paid deduction and our net capital gain) to stockholders as dividends.

We have not and do not intend to either backdate stock options or grant stock options retroactively. Presently, we do not have designated dates on which we grant stock option awards. We do not intend to time stock options grants with our release of material nonpublic information for the purpose of affecting the value of executive compensation.

To further align the interests of management and our stockholders, TPG Angelo Gordon, an affiliate of our Manager, may, in its discretion, grant to its employees separate awards of shares of our common stock that TPG Angelo Gordon and its affiliates acquired from us, including shares acquired in connection with the completion of our initial public offering, received from us in lieu of cash for a portion of the first and second quarters of 2020 base management fees or acquired in our public common stock offering completed in November 2021 when the Manager purchased 700,000 shares at the public offering price not subject to any underwriting discounts or commissions. Awards based on shares of our common stock made by our Manager to our named executive officers are generally subject to time-based vesting conditions and are not made pursuant to our Company's equity incentive plans. Our Compensation Committee is aware of the terms of equity awards made by TPG Angelo Gordon out of the shares of our common stock our Manager previously acquired from us. TPG Angelo Gordon determines the amounts of any awards of shares of our common stock held by TPG Angelo Gordon to our named executive officers and other recipients. TPG Angelo Gordon did not grant any shares of our common stock in connection with 2023 bonus compensation. As of the date of this proxy statement, TPG Angelo Gordon holds 288,290 shares of our common stock that may be granted to its employees, including our executive officers.

Compensation in 2023

We did not pay any compensation of any kind to our named executive officers during the year ended December 31, 2023. We do not provide any of our executive officers with any cash compensation, pension benefits or non-qualified deferred compensation plans. The compensation that we reimbursed to our Manager for our allocable share of the 2023 compensation of our Chief Financial Officer, Chief Risk Officer and General Counsel is discussed in this Proxy Statement in “Other Matters – Certain Relationships and Related Transactions – Management Agreement.”

For 2023, the named executive officers as a group received aggregate salaries of \$0.6 million and aggregate performance-based incentive bonuses for 2023 of \$4.5 million from the Manager, based on the percentage of time such officers spent managing affairs of the Company. These amounts collectively represent 67% of the aggregate management fees the Company paid to the Manager during 2023. On an aggregated basis, based on the percentage of time the named executive officers spent managing affairs of the Company, such officers received 12.6% of their total compensation in the form of base salaries and the remaining 87.4% in the form of performance-based incentive bonuses.

Our Manager and its affiliates do not use a specific formula to calculate the variable or incentive pay portion of our named executive officers' compensation. Additionally, our Manager and its affiliates do not explicitly set future variable or incentive compensation on the basis of the compensation the named executive officers earned in prior years. Generally, in determining each executive's variable or incentive pay, our Manager and its affiliates will take into account factors such as the individual's position, his or her contribution to our Company and market practices. We did not, nor did our Manager or its affiliates, retain a compensation consultant in connection with the compensation of our named executive officers in 2023.

Summary Compensation Table

Our named executive officers are not our employees and are not paid compensation by us. We have not paid any compensation to our named executive officers for the years ended December 31, 2021, December 31, 2022 or December 31, 2023.

Grants of Plan Based Awards in 2023

We did not grant any shares of restricted stock, options, restricted stock units or other incentive compensation to our named executive officers during the year ended December 31, 2023.

Outstanding Equity Awards at Fiscal Year-End

As of December 31, 2023, there was no outstanding award of equity made by us to any of our named executive officers.

Options Exercised and Stock Vested

As of December 31, 2023, we had not issued any outstanding options to purchase shares of common stock to any of our named executive officers. No option to purchase shares of our common stock or restricted shares of common stock granted by the Company to any of our named executive officers vested in 2023.

Pension Benefits

We do not provide any of our named executive officers with pension benefits.

Nonqualified Deferred Compensation

We do not provide any of our named executive officers with any nonqualified deferred compensation plans.

Potential Payments Upon Termination of Employment

We do not have any employment agreement with any of our named executive officers and are not obligated to make any payment to them upon termination of employment.

Potential Post-Employment Payments and Payments on a Change in Control

We do not have any employment agreements with any of our named executive officers and are not obligated to make any post-employment payments to them or any payments upon a change of control.

Pay Versus Performance

In August 2022, the SEC adopted final pay-versus-performance rules that require registrants to disclose information reflecting the relationship between executive compensation actually paid by a registrant and the registrant's financial performance. The rules implement a requirement mandated by the Dodd-Frank Act. Disclosure pursuant to such rules is not included herein because we are externally managed and do not have any employees. Our executive officers are employees of our Manager or an affiliate of our Manager and do not receive cash or equity compensation from us. While the management agreement between us and the Manager requires us to reimburse the Manager for a portion of the total compensation paid by the Manager or its affiliates to our chief financial officer, general counsel and other non-investment personnel, based on the percentage of time those individuals spent on our affairs or another agreed upon methodology fair to the Company, we do not determine what our personnel, including our executive officers, are paid by our Manager or its affiliates.

Compensation Policies and Practices as They Relate to Risk Management

We did not pay any compensation of any kind to our named executive officers and did not have any employees during the year ended December 31, 2023. Therefore, our compensation policies and practices are not reasonably likely to have a material adverse effect on us. We pay our Manager a management fee that is a percentage of our stockholders' equity, as that term is defined in the management agreement. We believe this management fee structure helps guard against our Manager making higher risk investments to achieve higher management fees as might be the case if the management fee was based on total assets or returns on investments. In addition, beginning with the 2023 calendar year, our Manager has the ability to earn an incentive fee that is based, in large part, upon our achievement of targeted levels of adjusted net income, as calculated in accordance with the management agreement and as described in "Other Matters - Certain Relationships and Related Transactions - Management Agreement" below. The incentive fee is computed and paid annually generally on adjusted net income that includes unrealized gains driven by mark-to-market increases on investments. The incentive fee is payable in cash or, at the Board's option, in shares of our common stock. We have designed our compensation policy in an effort to provide the proper incentives to our executive officers and our Manager to maximize our performance in order to serve the best interests of our stockholders. Our Board monitors our compensation policies and practices to determine whether our risk management objectives are being met.

COMPENSATION COMMITTEE REPORT

(the “Company”) has reviewed and discussed the Compensation Discussion and Analysis contained in this Proxy Statement with management of the Company. DIRECTOR COMPENSATION

Director Compensation

Our Compensation Committee is responsible for discharging our Board’s responsibilities relating to compensation payable to our non-employee directors. Our Compensation Committee annually evaluates compensation paid to our non-employee directors and may, from time to time, recommend to the full Board changes to such compensation as appropriate. Our Compensation Committee did not retain a compensation consultant in connection with establishing the compensation paid to our non-employee directors for 2023. The Company does not pay director compensation to directors who are also employees of our Manager or its affiliates (i.e., T.J. Durkin and Nicholas Smith).

Each member of our Board who is not an employee of our Manager or its affiliates received annual compensation for service as a director during 2023 as follows:

- Each non-employee director receives an annual base fee of \$150,000, of which \$70,000 is payable in unrestricted cash and the other \$80,000 is payable in shares of restricted common stock.
- In addition, our Non-Executive Chair of the Board receives an additional annual fee of \$60,000, of which \$30,000 is payable in unrestricted cash and the other \$30,000 is payable in shares of restricted common stock.
- In addition, the chair of our Audit Committee receives an annual fee of \$25,000, and the chairs of our Compensation and Nominating and Corporate Governance Committees each receive an annual fee of \$10,000.

In connection with the WMC acquisition and pursuant to the Merger Agreement, on December 6, 2023, the Company issued 12,981 of Company restricted stock units (the “MITT RSU Award”) to each of Mr. Mitchell and Ms. Quateman. The MITT RSU Award represented an equitable adjustment to the equity awards granted by WMC to Mr. Mitchell and Ms. Quateman at WMC’s 2023 annual stockholders’ meeting, having the same value, vesting terms and other terms and conditions as applied to such WMC equity awards. The MITT RSU Award will vest on June 23, 2024, subject to continued service to the Company through the vesting date, and will be settled in shares of the Company’s common stock, on a one-for-one basis, upon the director’s separation from service.

PROPOSAL 4: ADVISORY VOTE ON FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

In addition to the advisory approval of our executive compensation program, we are also presenting the following proposal, which gives our stockholders the opportunity to indicate how often they prefer us to include a proposal, similar to Proposal 3, in our proxy statement. This non-binding advisory vote is commonly referred to as a “say on frequency” vote. Under this proposal, stockholders may vote to have the Company hold an advisory vote on executive compensation: (i) every year; (ii) every two years; or (iii) every three years. The option of every year, every two years or every three years that receives a majority of all of the votes cast at the Annual Meeting will be the frequency for the advisory vote on executive compensation that has been recommended by stockholders. In the event that no option receives a majority of the votes cast, the Board will consider the option that receives the highest number of votes as the preferred choice of the stockholders. Stockholders were last asked to vote on the frequency of such votes at the 2018 annual meeting of stockholders.

This vote on the frequency of future advisory votes relating to executive compensation is advisory in nature and is not binding on us, our Board, our compensation committee, or our Manager. However, our Board and the compensation committee value the opinions expressed by our stockholders in their vote on this proposal, and expect to take into account the outcome of this vote when considering the frequency of future advisory votes on our executive compensation.

After careful consideration, our Board and our compensation committee believe that a say-on-pay vote should be conducted every year so that our stockholders may express their views on our executive compensation program.

RECOMMENDATION OF THE BOARD:

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU SELECT “EVERY YEAR” FOR THE FREQUENCY OF ADVISORY VOTES ON EXECUTIVE COMPENSATION.

The voting requirements for this proposal are described above and in the “General Information About the Annual Meeting and Voting” section above.

OTHER MATTERS

Certain Relationships and Related Transactions

Our Manager is a subsidiary of TPG Angelo Gordon. Two of our current executive officers and directors (T.J. Durkin and Nicholas Smith) and all of our other executive officers are employees of TPG Angelo Gordon or its affiliates.

To avoid any actual or perceived conflict of interest with our Manager, our Board has approved investment guidelines and policies providing that an investment in any security structured or managed by our Manager and its affiliates, and any sale of our assets to our Manager and its affiliates or any entity managed by our Manager and its affiliates, will comply with all applicable law, our compliance policies, and the compliance policies of TPG Angelo Gordon and our Manager. Our independent directors have approved parameters within which our Manager and its affiliates may act as our counterparty and provide broker, dealer and lending services to us in order to enable transactions to occur in an orderly and timely manner. TPG Angelo Gordon and/or our Manager may in the future change then-existing, or adopt additional, conflicts of interest resolution policies and procedures. Our independent directors periodically review our Manager's and TPG Angelo Gordon's compliance with these conflicts of interest provisions.

Related Person Transaction Policy

Our Board has adopted a policy (the "Related Person Transaction Policy") regarding the approval of any "related person transaction," which is any transaction or series of transactions in which (i) we or any of our subsidiaries is or are to be a participant, (ii) the amount involved exceeds one hundred twenty thousand dollars (\$120,000), and (iii) a "related person" (as defined under SEC rules) has a direct or indirect material interest. Under the Related Person Transaction Policy, a related person would need to promptly disclose to our Secretary or Assistant Secretary any related person transaction and all material facts about the transaction. Our Secretary or Assistant Secretary, in consultation with outside counsel, to the extent appropriate, would then assess and promptly communicate that information to the Audit Committee of our Board. Based on its consideration of all of the relevant facts and circumstances, the Audit Committee will review, approve or ratify such transactions as appropriate. The Audit Committee will not approve or ratify a related person transaction unless it shall have determined that such transaction is in, or is not inconsistent with, our best interests and does not create a conflict of interest. If we become aware of an existing related person transaction that has not been approved under this policy, the transaction will be referred to the Audit Committee which will evaluate all options available, including ratification, revision or termination of such transaction. Our Related Person Transaction Policy requires any director who may be interested in a related person transaction to recuse himself or herself from any consideration of such related person transaction.

Affiliated Transactions Policy

Our Board has also adopted a policy (the "Affiliated Transactions Policy") regarding the approval of any transaction with affiliates that are not "related persons," as that term is defined in the Related Person Transaction Policy. The Affiliated Transactions Policy is meant to supplement the existing policies and procedures of the Related Person Transaction Policy. The Affiliated Transactions Policy applies to all transactions between TPG Angelo Gordon, or any entity or account managed by an affiliate of TPG Angelo Gordon, and us (an "Affiliated Transaction"). All Affiliated Transactions must be permitted within our investment guidelines and contractual agreements, comply with applicable law and regulations, satisfy the requirements of TPG Angelo Gordon's cross trade policy and comply with any other requirement deemed necessary by our General Counsel. Affiliated Transactions that satisfy each of the foregoing criteria are presumed to be fair, reasonable and within the Affiliated Transaction Policy. On a quarterly basis, our management team delivers a complete list and appropriate supporting documentation of the Affiliated Transactions entered into during the quarter to the Audit Committee for its review and confirmation to the Company's independent directors.

Management Agreement

We entered into a management agreement with AG REIT Management, LLC, our Manager, in connection with our initial public offering. Our management agreement with our Manager provides for the day-to-day management of our operations. Our Manager has delegated to TPG Angelo Gordon the overall responsibility of its day-to-day duties and obligations arising under our management agreement.

The management agreement requires our Manager to manage our business affairs in conformity with the investment policies that are approved and monitored by our Board. Pursuant to the terms of our management agreement, our Manager is obligated to supply us with our management team, including a chief executive officer, chief financial officer and chief investment officer or similar positions, along with appropriate support personnel, to provide the management services to be provided by our Manager to us as described in the management agreement.

On November 1, 2023, TPG Inc. (NASDAQ: TPG) completed the previously announced acquisition of TPG Angelo Gordon (the “TPG Transaction”), pursuant to which TPG Angelo Gordon, including the Manager, became indirect subsidiaries of TPG. Pursuant to the management agreement with the Manager, the closing of the TPG Transaction resulted in an assignment of the management agreement. The independent directors of our Board unanimously consented to such assignment on July 31, 2023 in advance of the TPG Transaction closing. There were no changes to the management agreement in connection with the TPG Transaction and the assignment of the management agreement became effective upon the closing of the TPG Transaction.

In connection with our acquisition of WMC, we entered into the fourth amendment to the management agreement with our Manager (the “Fourth Amendment”), pursuant to which (i) our Manager’s base management fee will be reduced by \$0.6 million for the first four quarters (i.e., resulting in an aggregate \$2.4 million waiver of base management fees) following the acquisition closing, which began with the fourth quarter 2023, and (ii) our Manager will waive its right to seek reimbursement from us for any expenses otherwise reimbursable by us under the management agreement in an amount equal to approximately \$1.3 million, which is the excess of \$7.0 million over the aggregate per share additional merger consideration paid by our Manager to the holders of WMC common stock under the Merger Agreement. The Fourth Amendment became effective automatically upon the closing of the WMC acquisition on December 6, 2023.

Pursuant to the management agreement, we pay to our Manager a management fee, calculated and payable quarterly in arrears in an amount equal to 1.50% of our Stockholders’ Equity, per annum. For the years ended December 31, 2023 and December 31, 2022, our Manager earned management fees of \$7.7 million and \$8.1 million, respectively. For the year ended December 31, 2023, our Manager agreed to waive its right to receive management fees of \$0.6 million pursuant to the Fourth Amendment.

In addition, pursuant to the management agreement we pay our Manager an annual incentive fee. The annual incentive fee with respect to each applicable fiscal year will be equal to 15% of the amount by which our cumulative adjusted net income from November 22, 2021 exceeds the cumulative hurdle amount, which represents an 8% return (cumulative, but not compounding) on an equity hurdle base consisting of the sum of (i) \$341.5 million, and (ii) the gross proceeds of any subsequent public or private common stock offerings by us. The annual incentive fee will be payable in cash, or, at the option of our Board, shares of our common stock or a combination of cash and shares. For the years ended December 31, 2023 and December 31, 2022, no incentive fees were earned.

We are obligated to reimburse our Manager or its affiliates for the allocable share of the compensation, including, without limitation, annual base salary, bonus, any related withholding taxes and employee benefits, paid to (i) our chief financial officer based on the percentage of time spent on our affairs, (ii) our general counsel based on the percentage of time spent on our affairs, and (iii) other corporate finance, tax, accounting, internal audit, legal, risk management, operations, compliance and other non-investment personnel of our Manager and its affiliates who spend all or a portion of their time managing our affairs based upon the percentage of time devoted by such personnel to our affairs. In their capacities as executive officers or personnel of our Manager or its affiliates, they will devote such portion of their time to our affairs as is necessary to enable us to operate our business. For the years ended December 31, 2023 and December 31, 2022, the Company recorded \$6.5 million and \$8.2 million, respectively, of expenses that were reimbursable to the Manager or its affiliates, of which approximately \$1.4 million and \$1.3 million, respectively, related to the Company’s allocable share of annual compensation reimbursed to our Manager for our Chief Financial Officer, Chief Risk Officer, and General Counsel based on the percentage of time such officers spent on the Company’s affairs. For the years ended December 31, 2023 and December 31, 2022, the Manager agreed to waive its right to receive expense reimbursements of \$1.7 million and \$1.5 million, respectively.

The initial term of the management agreement was three years. In accordance with the terms of the Fourth Amendment, the management agreement will continue to renew automatically each year for an additional one-year period, unless the Company or the Manager exercise its respective termination rights. As of the date hereof, no event of termination has occurred. Our Manager is entitled to receive a termination fee from us should the management agreement be terminated under certain circumstances.

Transactions with Red Creek Asset Management LLC

In connection with the Company’s investments in residential mortgage loans, the Company engages asset managers to provide advisory, consultation, asset management and other services. The Company engaged Red Creek Asset Management LLC (“Asset Manager”), an affiliate of the Manager and direct subsidiary of TPG Angelo Gordon, as the asset manager for certain of its residential mortgage loans. The Company pays the Asset Manager asset management fees which are assessed periodically by a third-party valuation firm. The fees paid by the Company to the Asset Manager totaled \$2.8 million and \$2.7 million for the years ended December 31, 2023 and 2022, respectively.

Transactions with Arc Home

On December 9, 2015, the Company, alongside private funds managed by TPG Angelo Gordon, through AG Arc LLC, one of the Company’s indirect affiliates (“AG Arc”), formed Arc Home LLC, which we refer to as Arc Home. The Company has an approximate 44.6% interest in AG Arc. Arc Home originates residential mortgage loans and retains the mortgage servicing rights associated with certain loans it originates. Arc Home is led by an external management team. The Board of Managers of Arc Home consists of members appointed by us and affiliates of our Manager. Our investment in Arc Home had a fair value of \$33.6 million and \$39.7 million as of December 31, 2023 and December 31, 2022, respectively.

Arc Home may sell loans to the Company, to third-parties, or to affiliates of the Manager. The below table details the unpaid principal balance of Non-Agency Loans and Agency-Eligible Loans sold to the Company and private funds under the management of TPG Angelo Gordon during the years ended December 31, 2023 and 2022 (in thousands).

	Year Ended	
	December 31, 2023	December 31, 2022

As of December 31, 2022, the Company recorded a \$0.5 million receivable from Arc Home related to certain loans purchased from Arc Home. The Company received payment for the full amount from Arc Home during year ended December 31, 2023.

The Company enters into forward purchase commitments with Arc Home whereby the Company commits to purchase residential mortgage loans from Arc Home at a particular price on a best-efforts basis. Actual loan purchases are contingent upon successful loan closings. These commitments to purchase mortgage loans are classified as derivatives. From time to time, the Company may determine that certain loans it has previously committed to purchase will be sold to third parties and, as a result, the derivative will be settled on a net basis with Arc Home. As of December 31, 2023 and 2022, the Company had committed to purchase residential mortgage loans from Arc Home with an unpaid principal balance of \$72.7 million and \$8.0 million, respectively.

During the year ended December 31, 2022, the Company determined that certain loans that it had previously committed to purchase from Arc Home would be sold to third parties. The Company net settled its commitment to purchase these loans with Arc Home for \$0.8 million, which represented the difference between the Company's committed price and the ultimate sale price, inclusive of costs to sell the loans.

Mortgage Acquisition Holding I LLC

On August 29, 2017, the Company, alongside private funds managed by TPG Angelo Gordon, formed Mortgage Acquisition Holding I LLC (“MATH”) to conduct a residential mortgage investment strategy. MATH in turn sponsored the formation of MATT to purchase predominantly Non-QM Loans. MATT made an election to be treated as a REIT beginning with the 2018 tax year. As of December 31, 2023, the Company has an approximate 47.0% interest in MATH. Refer to the “MATH Transaction” section below for additional details on the Company's increase in ownership interest during 2023. MATH, through its wholly owned subsidiary MATT, only holds risk-retention tranches from past securitizations which continue to pay down and the Company does not expect MATT to acquire additional investments.
